Spark Car Wash LLC
Councilman Levitt regretfully sent in the comments from the 2025-04-07 meeting last week. New information had been provided by the applicant in May but had not yet been reviewed by the Commission and is not reflected in the comments sent.

Chairwoman Swingle mentioned that the applicant indicated they would provide trash cans. The location was not indicated on the site plans. Chairwoman Swingle proposed the Commission request that the applicant indicate exactly where the trash cans will be or that every vacuum will have a corresponding trash can.

The Commission concurred with the Shade Tree Commission's comments.
