I. Mayor's Report

Mayor Driver noted that an executive session was held to interview a candidate for the position of business administrator. No action was taken, or will be taken tonight.

She invited OEM Coordinator Brian McNally to provide an update on the Governor's announcement today of plans to drop mask requirements and social distancing requirements.

Cpl. McNally said that on May 28, NJ will be lifting the indoor mask mandate and social distancing guidelines for people who have been vaccinated. CDC guidelines will still apply for schools, health centers, and public transportation. On June 4, indoor gathering limits will be lifted, and thus the next Council meeting could be held in person at Borough Hall. Cpl. McNally also discussed some events that are planned for late summer and early fall.

Mayor Driver said the reopening committee will be meeting soon to discuss mask guidelines and how to reopen in-person meetings. Cpl. McNally noted that

retail businesses and certain public places can still require masks, even if the state doesn't mandate them.

Mayor Driver said bids were opened last week for the upcoming garbage contract; the Public Works committee will be meeting to go over them. She received an updated timeline from Jack Cust regarding the project. Demolition permits have been issued - 82 Main is coming down, asbestos inspections are done. The state DCA has approved the redevelopment area bond.

II. Council Members' Reports

Council President Giles-McCormick

The FCP has lots of events coming up. It's opened an official public-facing space on Stangl Road during the hotel redevelopment. There's a board meeting this Thursday and an open house at their new quarters on Saturday, 9 a.m.-1 p.m. Lots of calls are coming in about opening up businesses in Flemington. The Samuel Fleming House Museum and Gardens hosted an event on May 15, and yoga continues on Tuesdays there.

Council Member Hand

The Environmental Commission met last week and discussed Sustainable Jersey work to be done. She's working on animal-related items.

Community Garden - The Committee held a class at Tuccamirgan Park on May 16, and a meeting is coming up.

There's a corner pantry on Broad Street where people can take things they need for free.

Council Member Johnston

Nothing to report.

Council Vice President Long

Planning Board meets tomorrow, to discuss the Spice Factory and continue the public hearing on 91 Main plans and consider the site plans for the Premier Outdoor Media sign on Route 202 north.

Police- There have been a number of assaults in the Borough. He's trying to get talks going on mental health; anyone who's interested can email him. Regarding incidents, he noted there have been some phone scams, and urged people to double-check before giving out personal information over the phone or sending money.

Council Member Runion

The Environmental Commission met last week with three members present. They're developing an action plan for Sustainable Jersey items. They're gaining points, but other points are expiring as well.

Regarding the cooperative pricing system energy supply resolution on tonight's agenda, he said that passing the resolution doesn't lock the Borough in until the bid takes place, and the upcoming agreement won't proceed if there's not at least a 5% savings projected.

Council Member Tilly

Ms. Tilly noted that Frank Gilmartin, a member of the Fire Department for 52 years, passed away.

Last week was national EMS week. People interested in joining the Flemington Raritan First Aid & Rescue Squad can join on the organization's website, www.frfars.org.

Fireworks - They have been postponed until next year because we can't use RFIS as a launch site, due to construction at the school over the summer. No other sites in the borough are suitable.

HPC - They considered a project on 39 Broad St. They sent out a postcard about a house on Bonnell Street, and the number of the house was omitted to respect the owner's privacy.

III. Public Comments - Session I (up to 3 minutes each, for a maximum of 30 minutes)

No comments were made.
