ORDINANCE 2020-20

DOC ID: 3337

**An Ordinance of the Borough of Flemington Establishing an
Electric Aggregation Program**

WHEREAS, the State of New Jersey has been engaged in a process to establish a competitive market place through deregulation and restructuring the electric utility market; and

WHEREAS, the establishment of a government aggregator and an energy aggregation program to purchase electric generation service pursuant to N.J.S.A. 48:3-93.1 et seq. and N.J.A.C. 14:4-6.1 et seq. will increase competition for the provision of electric power to residential and non-residential users, thereby increasing the likelihood of lower electric rates for these users without causing any interruption in service; and

WHEREAS, the Borough is interested in ensuring that a greater percentage of energy provided by the Program comes from renewable energy sources, and will therefore include provisions for the inclusion of renewable energy in the proposals for energy aggregation services; and

WHEREAS, the purchase of renewable energy will reduce the dependence on fossil fuels and under the aggregation process the residential and non-residential ratepayers will likely receive a direct reduction in their electric bills; and

WHEREAS, the realization of energy cost savings is in the interests of the health, safety and welfare of the residents and non-residents of the Borough of Flemington ("Borough"); and

WHEREAS, the Borough hereby finds that it is in the best interests of residential ratepayers for the Borough to create the opportunity for them to enter into an aggregation agreement in order to seek savings on electric rates.

NOW, THEREFORE, BE IT ORDAINED, by the Borough Council of Flemington in the County of Hunterdon and the State of New Jersey, duly assembled in public session, as follows:

1. The Borough publicly declares its intent to become an aggregator of electric power on behalf of its residential users of electricity pursuant to the Government Energy Act of 2003, N.J.S.A. 48:3-91.3 to -98, and implementing regulations.
2. The Borough will become a member of the Hunterdon Area Energy Cooperative and utilize its energy consultants, Commercial Utility Consultants, Inc. and Concord

Engineering Group dba Concord Energy Services to administer and manage the Borough's electric aggregation program.

3. The Mayor and Municipal Clerk are hereby authorized and directed to execute any documents necessary to carry out the purpose of the Ordinance.
4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.
5. If any portion of this ordinance shall be deemed invalid by any court of competent jurisdiction, the remainder shall survive in full force and effect.
6. This ordinance shall be effective immediately upon adoption and publication in accordance with law.
