

Historic Flemington Borough Parking

There are four free municipal parking lots convenient to Main Street in Flemington Borough. Business patrons can also park in free on-street parking as marked on Main Street. If you are a business owner, please consider parking in one of the off-street municipal parking lots so that on-street parking may be used by customers. Flemington does not have a parking enforcement authority, but parking rules may apply for certain lots and streets. Parking may be temporarily suspended due to street closures for events or emergency. Vehicles must be removed from on-street parking in the event of snow emergency management. Please contact the **Flemington Borough Clerk's** office for more information.
